

CUSTOMER REQUEST FORM

Dear Store Director,

I am a loyal customer of your store, and would like to request that you carry the products scratch-made by Milo's Whole World Gourmet. I've marked to the right the products I'm most interested in seeing on your shelves.

Milo's WWG makes a wide range of more than 30 gourmet food products under two brands:

Brownwood Farms products are crafted with pride in the Great Lake region with clean and minimal ingredients. The level of culinary craftsmanship and commitment to quality that goes into making every product is just like that found in homemade products at roadside farm stands throughout the Great Lakes region.

Vino de Milo products are inspired by a love of "vino" and desire to create wine-infused specialty foods products with flavor profiles that would provide at-home chefs with the perfect accompaniments for any wine and cuisine pairings.

I have suggested your store as a perfect fit for their products and they would love to hear from you directly. Simply call (866) 589-6456, email Maryjane Burch @ mjburch@miloswholeworld.com, or visit www.miloswholeworld.com.

Thank you!

Customer name & contact information:

PROUD MAKERS OF:

vino de milo®
